

DevOP Meeting Minutes
3/2/21

Attendees:

Christopher Lebovitz
Courtney Hill
Kacheef White
Charles Young
James Setliff

Items Discussed and Decisions Made:

- Powerpoint
- Team view and how we want to display the chat and task board.
- Working on cards.
- Ditching the saving chat setting in variable and instead save them to a file and load them when needed

Action Items:

- Continue to work on the split view for the teams or alternate view.
